Survey of Student Norms

Page 1 of 3

This is a survey of what students think about their school, the use of alcohol, tobacco, and other substances, and about other behaviors related to health and safety. We want you to tell us about yourself and your perceptions of other students. You will not be asked to submit your name--this is an anonymous survey. Questions that ask about other students are referring to students at your school. Please read each question carefully. There are no "right" or "wrong" answers-- just give your best estimate. This survey is voluntary. If you do not wish to respond to a question you may leave it blank and continue on.

1. What grade are you in?
